Dedication

We take great pleasure in dedicating the 1954 edition of "The Beacon" to Mrs. Holton Dominy, a person who has given many years of her life to the education of the youth of this community. Mrs. Dominy has, through her faithful service and loyal devotion to the students of this school, won the love and respect of everyone in the community. She will always be remembered by the seniors of 1954 and the classes that follow them, for it was she who started them on the road to a happy and successful school life.

Class Will

On this first day of April, in the year of our Lord Nineteen Hundred and Fifty-Four, we, the SENIOR CLASS of Everman High School, being of sound mind and having been examined for sincerity by Dr. Do Nothing, do hereby will and bequeath the following to members of the graduating class of next year.

I, Jimmie Bradford, will my ability to play baseball to Buddie Bryant, and also I will to Jack Miller my award for citizenship.

To James Taylor I will my curly hair and 30 pounds of my 194 and also my beard. To Jim Malone I will my ability to throw the shot and hope he will make use of it. To Earl Dungan I leave my one dirty sweatshirt which he cherished so much, also my locker. Yours truly James Duke.

I, Chester Winnett will my artificial black hair to Martha Floyd who may need it some day. I also will my ability to get along with Mrs. Valerus to Egg-head, Ross, Otto and Pete Arnold. I also will my basketball uniform to Mr. Townley.

I, Dale Malone, leave my dirty sweat sox and locker on the top row to Earl Carr in hopes he will use it better than I did.

I, Willie Farris, will my old typewriter to Kent Watts.

I, Margaret Singleton, will my typing ability to Claudia Sullivan, my type-writer to Martha Bean, and my good citizenship standing to Wilna Meador.

Billy Cribbs wills his ineligibility to play basketball to Santford Miller.

Jimmie Lindsey wills his senior presidency to Pete Toomer, and his good looks to Jim Malone.

Martha Browning wills her absent T's to Shirley Browning, and her loud mouth to Claudia Sullivan.

Shirley Maddox wills her way to get along with boys to Melba Archer, and her popularity to Janie Hubbard.

Richard Almond wills his managing job to Weldon Butler, and Kenny Crosley.

A FOR YOUR THOUGHTS!

There's one that buys more than most --and that's the penny you spend for electric service! For instance, you can six large rugs for one cent's worth of electricity. And just one penny buys the power to wash three of laundry! Like to sew? You can for five hours on one worth of electric power. In fact, every time you pay your electric bill you're paying for a of comfort, work-and-time-saving help, and pleasure. Yes, electric service is a real friend . . . always ready at the flick of a and so low in cost that you must agree: It's the Biggest Bargain in the family budget!

it's a FACT!

As you turn these pages today, or on some tomorrow, you will re-live the wonderful times you had "back in the good ole' days" at your Alma Mater. With the passing of years this annual will become a priceless treasure-train to whisk you back along memory lane to rejoin your old friends and re-visit familiar places.

As we at USECO turn these pages, we see the America of tomorrow, the farmers, the lawyers, the doctors, and the many trades and professions so ably represented within these pages. We are honored to have played a part in recording this pictorial history of your 1954 school days . . .
